INDEPENDENT VERIFICATION

Verify the current registry record before transacting

- 01 Open the Hong Kong Companies Registry e-Services Portal.
- 02 Use the electronic search service as a registered or unregistered online user.
- 03 Search the exact legal name or UBI / BRN 76645200.
- 04 Treat the live registry record and purchased search results as authoritative.

Documents available after qualification

Corporate identity records; current corporate maintenance records; authority evidence for the proposed transaction; corporate KYC material; and audited financial information for qualified counterparties, subject to purpose, identity and confidentiality checks.

This public fact sheet is not a certificate, quotation, KYC report or representation that any transaction is available. The live registry record and signed transaction documents prevail. Identity documents, signatures, bank details, ownership records and full financial statements are not distributed through the public website.
